"This is the best promoted exhibition in the region we are going to achieve more success because of ProPak Asia"

J. Prabaripay, PP&E.

ProPak last year attracted 357 exhibitors from 31 countries, 30% growth is forecast for 2002.

BITEC, the new venue for 2002.

BITEC is Thailand's leading purpose built exhibition venue in the heart of the Bangna industrial region of Bangkok.

## A World Class Regional Conference Programme

The Food Science and Technology Association of Thailand (FoSTAT) and The Federation of Institutes of Food Science and Technology in the ASEAN (FIFSTA) in collaboration with the Food and Agricultural Organisation of the United Nations will invite industry experts from throughout Asia to present papers on developments, solutions and leading edge technology in this increasingly competitive market place. The title of this year's conference is **SAFE FOOD, GOOD HEALTH - THROUGH MODERN PROCESSING AND PACKAGING TECHNOLOGY.**

## Who will visit ?

ProPak Asia is strictly a trade only event. Asia's 2002 event expects 16,000 trade professionals, last year ProPak attracted over 14,000 visitors from 45 countries from sectors covering the entire scope of the industry. A detailed audited report can be obtained from the organisers.

"A very good show. I have taken note of the immense success"

Zin International,  
USA. - Visitor

**The open conference programme** invites exhibitors to submit paper within their specialist field. Topics covered include canning technology, pharmaceutical packaging, seafood technology, retail packaging, beverage & brewing technology and meat technology. Exhibitors will be allocated a specific time slot and seminar room. Please contact us for more details.

**PLEASE CONTACT US** immediately to secure your company's space at Asia's leading processing & packaging event.
